FEBRUARY NEWSLETTER

Birmingham
Children's Hospital

A huge thank you to all of the friends and families of Poppyfield for your support.

**We raised a total of
£570**

CARROT TOKENS

Your children may have come home talking about "Carrot" tokens. This is a new system that we are introducing across the school.

Carrot stands for: Courtesy and Respect Reward Orange Token. The children are given these throughout the school day and they are added to class collection tubes.

When the first tube is filled the class have an out of uniform day. If they fill their second tube they get a class prize of their choosing.

HEAD BUMPS AT SCHOOL

All parents will now receive a text message to inform them if their child has had a minor head bump at school. Phone calls will still be used but only for injuries which require more urgent parent support.

The children have been working hard this week learning all about Chinese/Lunar New Year. The children enjoyed traditional Chinese dancing as well as sampling some traditional Chinese foods. All children received a lucky Chinese gift bag to enjoy and celebrate at home! The school was full of creative and enjoyable Lunar New Year activities!

It was fabulous to finally get back to enjoying out of school experiences with the children. We had a range of visits in January including: Dudley Zoo, the play village and Cannock Chase museum. The children enjoyed their time out of the classroom and are now using their experience to support learning.
